CONDITIONS OF PURCHASE

Acceptance of this order, commencement of performance, or any shipment of goods pursuant hereto shall constitute Vendor's acceptance of these standard terms and conditions of purchase as the only conditions applying to the purchase and sale of said goods, unless other conditions are agreed to in writing, signed by authorized representatives of Kaman and the Vendor respectively.

1. **SPECIFICATIONS.** Vendor shall comply with any specifications stated on the face of this order and with any applicable United States Government Specifications. Upon request Vendor shall furnish Kaman with a Certificate of Performance executed by an authorized representative of Vendor setting forth Vendor's compliance with all applicable specifications.

2. **PAYMENT.**

a. Terms of payment shall be by check net 30 days after receipt of accepted invoice or as negotiated with the vendor.

3. **INSPECTION.** Kaman and/or Kaman's customer, representative, designee, or (if the face of this order bears a Government prime contract number or if this order is a subcontract under a Government prime contract) representatives of the United States Government shall have the right to inspect and test all work under this order at all reasonable times including during manufacture. Vendor and all its sub-tier vendors and their vendors shall furnish without additional charge all reasonable facilities and assistance for safe and convenient inspections and tests.

Notwithstanding any prior inspection, the passage of title at the F.O.B. point, or any prior payment, all supplies are subject to final inspection and acceptance at Kaman's plant. If the time for final inspection is not specified on the face of this order, such final inspection shall be made within one hundred eighty (180) days after receipt of the supplies and all required and properly completed paperwork and certifications at Kaman's plant.

If any supplies are found to be defective or otherwise not in conformity with the requirements of this order, or required paperwork and certifications are not in compliance with the requirements of the purchase order, Kaman, in addition to its other rights and remedies, may reject such supplies and require either their prompt correction or their replacement at Vendor's expense, including shipping and packing charges. Alternatively, Kaman may at its option repair or replace such nonconforming supplies at Vendor's expense. Any supplies previously rejected shall not be resubmitted for Kaman's acceptance without concurrent notice of the prior rejection. No action taken by Kaman under this section shall be deemed to extend any delivery dates specified on the face of this order.

All risk of loss of or damage to the supplies to be delivered hereunder shall be upon Vendor until such supplies are delivered at the F.O.B. point specified on the face of this order; but Vendor shall bear all risk of loss of or damage to (i) improperly packed supplies during transport to the point of and prior to final inspection and (ii) supplies rightfully rejected by Kaman after notice of rejection to Vendor until such supplies or replacements therefore are redelivered, except for any loss or destruction of, or damage to, such rejected supplies resulting from negligence of officers, employees or agents of Kaman acting within the scope of their employment.

In addition to its other rights and remedies Kaman may charge back to Vendor's account the amount paid for rejected supplies pending redelivery of same or replacements therefore.

Kaman's rights and remedies under this paragraph shall be in addition to and shall not be deemed to diminish its rights and remedies provided by law or under the paragraph hereof entitled "Warranty", and no action taken by Kaman under this paragraph shall be deemed to extend any delivery dates specified on the face of this order.

4. **WARRANTY.** (a) In addition to all warranties implied by law Vendor represents and expressly warrants to Kaman, its successors and assigns and to customers and users of Kaman's products that all supplies (which term as used in this order includes goods and services) called for by this order (i) will conform to applicable specifications and to the drawings, samples or other descriptions furnished by Kaman or Vendor and that all such supplies shall be non-surplus goods of new manufacture, good quality, and free from defects in material and workmanship; (ii) if of Vendor's design, shall be free from defects in design; and (iii) shall be suitable for the purposes intended, whether expressly stated or reasonably implied.

(b) Vendor shall, upon receipt of notice from Kaman, promptly and at its own expense and as directed by Kaman, replace or correct any supplies which are defective or otherwise nonconforming, and Vendor agrees to proceed with correction of any such defects in a manner satisfactory to Kaman. Vendor shall assume all risk of loss of or damage to supplies which are to be corrected or replaced pursuant to this warranty from the date on which Vendor is notified of the defect or other nonconformity until the corrected supplies or replacements are received at the destination(s) designated by Kaman. Kaman may charge back to Vendor's account the amount paid for nonconforming supplies pending redelivery of same or replacements therefore. Alternatively, Kaman may at its option screen, sort, and repair or replace such nonconforming supplies at Vendor's expense, charging such expense back to Vendor's account.

(c) All implied warranties and all warranties set forth in this order shall survive delivery, and shall not be deemed to have been waived by acceptance or inspection of or payment for the goods and services.

5. **CHANGES.** (a) Kaman may at any time by written order to Vendor and without notice to sureties, if any, make changes within the general scope of this order in any one or more of the following: (1) shipping and billing instructions; (2) quantity of supplies ordered; (3) drawings or specifications; (4) delivery schedules; and (5) place of delivery.

(b) Vendor shall proceed promptly to make such changes in accordance with the terms of Kaman's written order. If any such change causes an increase or decrease in the cost of performance of this order, or in the time required for performance, an equitable adjustment shall be made in purchase order price or the delivery schedule or both and this order shall be amended in writing accordingly. Any claim by Vendor for adjustment under this clause shall be asserted within thirty (30) days after the date of the written order effecting the change. In the absence of such notification Kaman shall not be obligated to consider Vendor's claim for an equitable adjustment resulting from the change, and in no event shall Kaman be obligated to consider any claim for an increase in price after final payment to Vendor hereunder. Where the cost of property made obsolete or excess as result of a change is included in Vendor's claim for adjustment, Kaman shall have the right to prescribe the manner of disposition of such property. Nothing in this paragraph or order shall excuse Vendor from proceeding with the order as changed.

6. **INSURANCE.** Vendor shall maintain insurance coverage in amounts not less than the following:

At Kaman's request, Vendor shall furnish to Kaman certificates of insurance setting forth the amount(s) of coverage, policy number(s) and date(s) of expiration for insurance maintained by Vendor and, if further requested by Kaman, such certificates will provide that Kaman shall receive thirty (30) days prior written notification from the insurer of any termination or reduction in the amount or scope of coverage. Vendor's purchase of appropriate insurance coverage or the furnishing of certificates of insurance shall not release Vendor of its obligations, liabilities or indemnities under this order. In the event of Vendor's breach of this provision, Kaman shall have the right to cancel the undelivered portion of any goods or services covered by this order and shall not be required to make further payments except for conforming goods delivered or services rendered prior to cancellation.

7. **INDEMNITY.** Vendor agrees to indemnify and hold harmless Kaman and all persons claiming under Kaman against all claims, demands and liability, any and all losses or expenses relating thereto, for unfair competition and for actual and alleged infringement of any patent, trademark, copyright or trade name by the supplies covered by this order, unless the same are made to Kaman's drawings, designs or specifications. Vendor further agrees to indemnify and hold harmless Kaman and any customer of Kaman against loss or expense by reason of the liability imposed by law upon Kaman or its customers for damages because of bodily injury or property damage, accidentally sustained by any person arising out of or in consequence of the performance of Vendor's work whether such injuries, to persons or property, are due or claimed to be due to any negligence of Vendor, the owner, its or their employees or agents, or any other person. In addition, Vendor shall limit disclosure of all information submitted by Kaman, including drawings, specifications, data on CD's, or other media, encryption devices unless authorized in writing by Kaman. Upon completion of this Purchase Order, unless directed by Kaman, Vendor shall return or destroy to Kaman's satisfaction all documentation and embodiments of Kaman's Proprietary Information. In the absence of a written agreement to the contrary, all information, specifications, and drawings furnished to Kaman in connection with this order shall be considered nonproprietary and may be used or disclosed to third parties by Kaman as Kaman chooses. Restrictions on data are only applicable to data furnished by Kaman under this order.

(b) Any invention, sole or joint, made by employees of Vendor and arising out of the subject matter of this order, as amended or extended, shall be fully disclosed and completely assigned by Vendor to Kaman without further compensation.

9. **ASSIGNMENT.** Neither this order nor its performance nor any rights of Vendor herein, other than claims for money due or to become due Vendor hereunder, may be assigned or otherwise transferred by Vendor without prior written consent of Kaman. Claims for money due to Vendor from Kaman arising out of this order may be assigned, but Kaman shall not

be bound by any such assignment unless and until Kaman shall have received written notice and an executed original of the instrument of assignment, and suitable documentary evidence of Vendor's authority so to assign. All payments of money due made by Kaman prior to receipt by Kaman of the above evidence of assignment shall be fully credited against Kaman's obligation under this order. In no event shall copies of plans, specifications or other similar documents relating to work under this order be furnished to any Assignee as part of any assignment of money due, nor shall the order be so delivered if the same is designated on the face hereof as Classified under Government security requirements.

10. **SUBCONTRACTING.** Vendor agrees that it will not enter into a subcontract for the procurement of end items covered by this order in completed or substantially completed form, without first obtaining the written approval of Kaman.

11. **MATERIAL, TOOLING AND EQUIPMENT FURNISHED TO VENDOR.** (a) All material, tooling and equipment which Kaman or the Government is required hereunder to furnish to Vendor shall be delivered in sufficient time to enable Vendor to meet its delivery schedule. If any such material, tooling or equipment is not delivered to Vendor in sufficient time, the resultant delay of Vendor in delivery to Kaman shall be excusable. Neither Kaman nor the Government shall have any liability to Vendor by reason of any delay in delivery of, or failure to deliver, any such material, tooling or equipment; and if, as a result of any such delay in delivery or failure to deliver, Kaman shall terminate this order, either of its own accord or due to the Government's termination of its contract with Kaman, such termination shall be for the convenience of Kaman and settlement shall be made in accordance with Condition No. 13(b) hereof.

(b) If any material, tooling, or equipment is furnished by Kaman or the Government for performance of this order, all risk of loss of or damage to such material, tooling or equipment, other than from ordinary wear and tear, shall be upon Vendor until the same has been redelivered to Kaman or the Government. Title to any such material, tooling or equipment shall remain in Kaman or the Government, as the case may be.

(c) Vendor shall not be required to account to Kaman for the proceeds from the sale of scrap generated during the performance of this order by the processing of material furnished by Kaman or the Government; provided, however, that Vendor shall replace by purchase from Kaman at Kaman's price then current any such material lost or damaged because of spoilage, breakage or defective workmanship in excess of any allowance made therefore by Kaman. Upon completion of this order, any of the material furnished by Kaman or the Government and not consumed in the performance of this order, and any tooling or equipment furnished by Kaman or the Government, shall be disposed of in accordance with instructions from Kaman or the Government.

(d) When Kaman or the Government furnishes any material, in whole or in part, for the supplies called for hereunder, Vendor shall not substitute material from any other source nor shall Vendor alter the physical or chemical properties of the material furnished to it except in accordance with applicable Kaman specifications or except with Kaman's written approval; in addition, Vendor agrees that all "Domestic Specialty Metals" shall be melted in the United States.

(e) Vendor must perform at its own expense physical inventories of tools in its possession. At a minimum, all tools will be inventoried annually by program, and at contract closing. The interval and timing of these inventories will be coordinated with Kaman. Tools should be checked to verify condition, tool number and ownership are clearly identified and when required stamped on tools and the results submitted to Kaman.

12. **EXCUSABLE DELAYS.** (a) Vendor shall not be charged with any liability for failure or delay in making deliveries when such failure or delay is due to any cause beyond the control and without the fault or negligence of Vendor; provided that Vendor shall give to Kaman prompt notice in writing when it appears that such cause will delay deliveries under this order. If any such failure or delay shall threaten to impair Kaman's ability to meet delivery requirements for its products or to meet other contractual obligations, Kaman shall have the right, at its option and without being under any liability to Vendor, to cancel by notice in writing to Vendor the portion or portions of this order so affected.

(b) Kaman shall be excused for failure or delay in its performance herein due to any cause beyond its reasonable control and without its fault or negligence.

13. **INSPECTION OF RECORDS AND PLANT.** Vendor agrees that its books, records and its plant, or such parts of its plant as may be engaged in the performance of this order, shall, at all reasonable times, be subject to inspection and audit by any authorized representative of Kaman in the case of commercial products, or by any Department of the United States Government if the face of this order bears a Government prime contract number or if this order is a subcontract under a U.S. Government prime contract. This right of access shall also apply to any and all sub-tier vendors and their vendors under this order, except as otherwise negotiated with Kaman or Kaman's customers.

14. **TERMINATION.** (a) Default. To the extent permitted by Law, Kaman shall have the right to terminate this order or any part hereof without further cost or liability to Kaman in the event of the happening of any one or more of the following: the commencement by Vendor of a voluntary case in bankruptcy; the commencement against Vendor of an involuntary case in bankruptcy, if such case is not dismissed within thirty (30) days from the date of filing; the appointment of a receiver or trustee for Vendor, if such appointment is not vacated within thirty (30) days from the date thereof; the execution by Vendor of an assignment for the benefit of creditors; Vendor's failure to make or delay in making deliveries hereunder which failure or delay is not otherwise excusable hereunder; Vendor's failure to provide adequate assurance of due performance when Kaman has reasonable grounds for insecurity with respect to such performance and following a written demand by Kaman for such assurance; or other failure of Vendor to perform in accordance with this order. In the event Kaman terminates this order in whole or in part as provided in this subparagraph, Kaman may procure, upon such terms at a price deemed fair and reasonable and in such

manner as Kaman may deem appropriate, supplies and services similar to those so terminated, and Vendor shall be liable to Kaman for any excess costs for such similar supplies and services; provided, that Vendor shall continue the performance of this order to the extent the same is not terminated.

(b) **CONVENIENCE.** Kaman may terminate this order in whole or in part whenever it determines for any reason that such termination is in its best interest and/or in accordance with the clause set forth in FAR 49.502, which clause as in effect on the date of this order, is incorporated herein by reference and made a part hereof except that, in lieu of the period set forth therein, Vendor shall submit its termination claim not later than four (4) months from the effective date of termination. The provisions of this subparagraph shall not limit the right of Kaman to terminate this order for default.

(c) Upon termination by Kaman of all or any part of this order by reason of any default by Vendor, Kaman, in addition to any other lawful remedies, may at its option require Vendor to transfer to Kaman all materials, work in process, completed goods, tooling, plans and specifications allocable to the cancelled portion of this order, in which event Kaman shall credit Vendor with the fair value of such items transferred to Kaman.

(d) If this order is a subcontract and is terminated for convenience as a result of the termination of a higher level contract or prime contract, then Vendor's termination recovery, if any, shall not exceed a prorated share of Kaman's termination recovery, if any, from its customer or the Government as determined by Kaman.

15. **COMPLIANCE WITH STATUTES AND REGULATIONS.** Vendor warrants and certifies that in performance of this order (i) it will comply with all applicable statutes, rules, regulations and orders, now in effect or hereafter enacted, of the United States or any agency or department thereof, and of any state or political subdivision of any state, including statutes, rules, regulations and orders pertaining to labor, wages, hours and other conditions of employment; (ii) It will comply with applicable wage and price controls and ceilings, if any, whether such are imposed by law or are a condition of a related prime contract between Kaman and the Government, and (iii) the supplies delivered hereunder shall be produced in compliance with the Fair Labor Standards Act, as amended, and (iv) it will comply with all of the requirements of Clause 26, Import/Export Regulations, hereof. In addition, the Vendor agrees to comply with all other existing and future laws and regulations of any other country or locality which may be applicable in connection with the products or services supplied hereunder. Vendor shall be responsible for providing any information that may be required under applicable laws and regulations. Vendor will not take any illegal action or provide any illegal payment or gratuity to any official representative or agent of any governmental entity or to any other person for the purpose of influencing an official act or any other purpose proscribed by law. Specifically, Vendor will take no action which, if taken by or with the knowledge of Kaman, could be construed as or constitute a violation of the United States Foreign Corrupt Practices Act (U.S. Public Law 95-213). Vendor shall indemnify and hold Kaman harmless from and against all costs, expenses, liabilities and charges incurred, contracted or created by Vendor which has not been specifically authorized by this purchase order. Vendor shall further indemnify Kaman from and against any and all claims, liabilities and damages arising as a result of Vendor's breach of any term or condition of this purchase order.

16. **COMBATING HUMAN TRAFFICKING.** Kaman is committed to complying with all U.S. Government laws, policies, and regulations regarding human trafficking. We require our employees and subcontractors to not engage in the use of forced, bonded (including debt bondage) or indentured labor, involuntary prison labor, slavery, procuring commercial sex acts, or trafficking of persons. Any material violation of law by Vendor relating to basic working conditions and human rights, including laws regarding slavery and human trafficking, of the country or countries in which Vendor is performing work under this order may be considered a material breach of this order for which Kaman may elect to cancel or terminate any open orders between Kaman and the Vendor in accordance with the "Termination for Default" clause herein. Vendor shall include the substance of this clause, including this flow-down requirement, in all subcontracts awarded by Vendor for work under this order.

17. **FEDERAL ACQUISITION REGULATIONS - FOR U.S. GOVERNMENT SUBCONTRACTING ONLY.** (a) There are hereby incorporated herein by reference *and* made a part hereof the following Federal Acquisition Regulation and DoD FAR supplement clauses as in effect at the date of the prime contract, except for Cost Accounting Standards clauses which are in effect at the date of the subcontract if this order is a subcontract under a Government prime contract as may or may not be evidenced by the inclusion of a Government prime contract number on the face of this order: Refer to Purchase Order Conditions, Addendum at the bottom of this document for a listing of FAR/DFAR clauses.

(b) With respect to the above FAR clauses relating to cost, accounting or pricing, Vendor agrees to indemnify and hold harmless Kaman and all persons claiming under Kaman (1) against all claims, demands, and liability and all losses and expenses relating thereto, including prime contract price reductions for defective cost or pricing data, arising from cost or pricing data furnished by Vendor which was required to be complete, accurate, and current and was submitted to support a cost estimate furnished to the United States Government and (2) against all claims, demands and liability, and all losses and expenses relating thereto, including prime contract price reductions in accordance with the provisions of the Cost Accounting Standards requirements arising from any failure of Vendor to comply with rules, regulations and standards of the Cost Accounting Standards Board; and the Vendor further agrees to comply with all the requirements of section 114 of the Clean Air Act, as amended (42 U.S.C. 1857, et seq. as amended by Public Law 91-604) and section 308 of the Federal Water Pollution Control Act (33 U.S.C. 1251, as amended by Public Law 92-500), and all regulations and guidelines issued thereunder.

(c) It is recognized and agreed between Kaman and Vendor, that since the phraseology of the FAR clauses incorporated by the paragraphs above has been primarily designated for Government prime contracts, words and phrases in the

forgoing regulations importing the Government or the prime contractor or their representatives shall, when a fair, reasonable interpretation of the context of this order so requires in order to express properly the subcontract relationship be deemed to refer to Kaman (the buyer) or Vendor or their respective representatives; provided, however, that all reference to "Government" in the patent clauses incorporated herein above shall refer only to the United States Government.

Copies of such FAR clauses and information as to the cognizant Contracting Officer shall be furnished by Kaman to Vendor upon request.

18. **TAXES.** Unless otherwise specified the prices set forth in this order include all applicable federal, state and local taxes and duties or other charges.

19. **VENDOR SUPPLIED SERVICES ON KAMAN'S PREMISES.** If this order covers the performance of services on the premises of Kaman, then, notwithstanding any other insurance required to be carried hereunder, Vendor agrees to furnish a certificate from its insurance carriers showing that it carries workers' compensation, automobile liability, public liability, and property damage insurance coverage in amounts satisfactory to Kaman. Such insurance shall name Kaman as an additional insured. If Vendor is a self-insurer for workers' compensation purposes, it must have the Department of Labor or other appropriate department of the state in which the services are to be performed furnish a certificate of same directly to Kaman. Vendor will be and shall remain responsible for all materials and workmanship until the goods or services are completed and accepted by Kaman. Vendor further agrees to accept such premises in their present condition as safe and satisfactory for the work to be performed, and to keep such premises free and clear of all mechanics' liens. Kaman may withhold any and all payments due under this order until Vendor has furnished evidence satisfactory to Kaman that all bills for labor and material referable to this order have been paid in full by Vendor.

21. **CUMULATIVE RIGHTS AND REMEDIES.** The rights and remedies herein reserved to Kaman shall be cumulative and in addition to any other or further rights and remedies provided by law or equity.

22. **CAPTIONS.** Captions as used in this order are for convenience of reference only and shall not be deemed or construed as in any way limiting or extending the language of the provisions to which such captions may refer.

23. **ACCEPTANCE.** The order incorporating these Purchase Order Conditions becomes a binding contract on the terms set forth herein when it is accepted by Vendor's acknowledgment or commencement of performance. This order may be so accepted only on the exact terms herein set forth (including the modes of acceptance specified in the immediately preceding sentence), and no conditions stated by Vendor in accepting this order or in any invoice or order acknowledgment pertaining to this order shall be binding on Kaman if different from or in addition to Conditions set forth herein. No acceptance by Kaman of, or payment for, supplies ordered hereunder shall be deemed a waiver of the preceding sentence or an acceptance of any additional or different terms contained in any acknowledgment, invoice or other form sent or delivered by Vendor to Kaman.

24. **TIME OF ESSENCE.** Time is of the essence in the performance by Vendor of this order. Failure of Vendor to make delivery of items or provide services within the time specified on the face hereof, or within any extension specified by written amendment hereto, shall be a breach hereof. If no time is specified herein, Kaman may by reasonable advance notification to Vendor terminate this order in whole or in part if Vendor fails to make delivery of items or to provide services within a reasonable time after the date of this order.

25. **AFFIRMATIVE ACTION COMPLIANCE PROGRAM.** Vendor certifies that if it has 50 or more employees and it has (i) a subcontract of \$50,000 or more, or (ii) has Government bills of lading which in any 12 month period total or can reasonably be expected to total \$50,000 or more, it has in effect or will develop a written affirmative action compliance program for each of its establishments in accordance with regulations of the Department of Labor published in 41 C.F.R. Chapter 60, and will comply with all applicable filing requirements relating thereto.

26. **WAIVERS.** A waiver of any failure on Vendor's part to carry out any condition, term or part of this order shall not act as a waiver with respect to any recurrence of such failure or with respect to a failure to carry out any other condition, term or part.

27. **IMPORT/EXPORT REQUIREMENTS.** Vendor shall comply with all import and export laws and regulations of the Vendor's country and the United States of America, including but not limited to the International Traffic in Arms Regulations (ITAR) pursuant to the Arms Export Control Act (22 U.S.C. 2778) and the Export Administration Regulations (EAR) pursuant to the Export Administration Act (50 U.S.C. 2401-2420). Vendor acknowledges its obligations to control access to technical data, including drawings and specifications, technical assistance, products, equipment and services, which may also be collectively referred to as "Goods and/or Services", under US export laws and regulations, and agrees to adhere to such laws and regulations and any authorization(s) issued thereunder with regard to any Goods and/or Services supplied hereunder by Vendor.

Such Goods and/or Services may not be transferred, or otherwise be disposed of in any other country, either in their original form or after being incorporated into other end-items, without the prior written approval of the US Government. Further, the Vendor shall strictly control the disclosure of, and access to, Goods and/or Services received under this Agreement, in accordance with the aforementioned regulations. Vendor agrees that no Goods and/or Services provided by Kaman in connection with this Agreement shall be provided to any non-U.S. person or non-U.S. entity, including without limitation a non-U.S. employee (including those located in the U.S.) or subsidiary of Vendor, without Kaman's prior express written authorization, Vendor agrees that no Goods and/or Services provided by Kaman in connection with this Agreement shall be provided to any third-party, without Kaman's prior express written authorization.

Compliance with export laws and regulations shall not relieve the Vendor or Kaman of their individual obligations under this Order and shall not constitute a force majeure or give rise to an excusable delay hereunder.

Vendor shall immediately notify Kaman if it is or becomes listed on any Excluded or Denied Party List of any government agency, U.S. or foreign, or if its export privileges are denied, suspended or revoked. Vendor agrees that no goods, technology, software or services supplied under this Agreement are sourced from or originate with: (a) a country or government subject to U.S. economic sanctions administered by the U.S. Department of the Treasury or U.S. Department of State; (b) a Specially Designated National identified on the U.S. Department of Treasury's Specially Designated Nationals List, or another U.S. government list restricting the acquisition of items from an entity or person located outside or inside the U.S.; (c) an entity or person that is owned or controlled by an person or entity included in (a) or (b) above, or (d) a restricted country or debarred party under the International Traffic in Arms Regulations or U.S. Department of Defense Federal Acquisition Regulations.

Vendor shall provide Kaman with a last time buy notice at least twelve (12) months prior to any action to discontinue the manufacturing capability of any work purchased under this contract. The vendor/subcontractor agrees to perform an obsolescence/ EOL analysis of product bill of material (BOM)/subassembly/and or component. The purpose of the analysis is to categorize every item in the product as follows: 1. Known obsolescence/EOL component no longer in production by the manufacturer. 2. Potential obsolescence/EOL concern. Component(s) nearing the end of their life cycle. The manufacturer has plans to discontinue component(s) within the next four (4) years. 3. No obsolescence/EOL concern verified by component mfg that component(s) will be available for the next 4 years. The method for the analysis is at the subcontractor's discretion. The analysis shall be performed once during the execution of this purchase order or no more often than 12 months from the previous analysis. The expected output of the analysis would be a report or matrix that describes obsolescence/EOL detail of item in the BOM categorized as described above.

33. **COUNTERFEIT PARTS.** A "counterfeit part" is an unlawful or unauthorized reproduction, substitution, or alteration that has been knowingly mismarked, misidentified, or otherwise misrepresented to be an authentic, unmodified part from the original manufacturer, or a source with the express written authority of the original manufacturer or a current design activity, including an authorized aftermarket manufacturer. Unlawful or unauthorized substitution includes used parts represented as new, or the false identification of grade, serial number, lot number, date code, or performance characteristics. Procurement or supply from sources other than those in the first sentence is prohibited without prior, written approval from Buyer. In addition, no substitutions may be made without prior, written approval from Buyer. Failure by Supplier to document material or item substitution or to identify that an item has been refurbished or remanufactured is considered to be fraud, and the material or item then becomes suspect/counterfeit.

If it is determined by Buyer that a suspect/counterfeit part, or suspect/counterfeit material, has been supplied, Buyer will impound the parts/material pending a decision on disposition. Notwithstanding anything else to the contrary herein, Supplier shall promptly replace all such parts/material with parts/material acceptable to Buyer and shall be liable for all costs relating to the impoundment, removal, and replacement. The remedies contained in this paragraph are in addition to any remedies Buyer may have at law, equity or under other provisions herein. Buyer may also notify the applicable U.S. Government representatives and reserves the right to withhold payment for the parts/material pending results of the investigation.

34. **RECORDS RETENTION.** All records are to be retained for the period required by applicable local, state and federal laws and regulations in the U.S and, in the case of foreign operations, for all periods required by applicable law. Records, which provide evidence of conformity to requirements and the effective operation of the Vendor's quality management system, (i.e. vendor test reports, inspection records), shall be maintained for a minimum of ten (10) years following completion of the order unless otherwise specified in the purchase order. The vendor shall not discard or destroy records following the (10) year period without written approval from Kaman. Records shall remain legible, readily identifiable and retrievable.

35. **CODE OF BUSINESS CONDUCT AND ETHICS.** A.) Seller shall comply with the principles of Buyer's Code of Business Conduct and Ethics (the "Code") (as amended from time to time), and Seller shall periodically review the Code for changes. The Code forms part of this Order and is available electronically at <http://www.kaman.com/sites/default/files/Kaman-Code-Conduct-English.pdf>. Seller shall adopt a code of ethical business conduct ("Seller's Code") suitable to its business, and in general conformance with the Code, and abide by Seller's Code. The Seller's Code should require that Seller comply with all pertinent laws and regulations, and address Seller's policies including, but not limited to, workplace health and safety, labor standards, protection of the environment and resources, product safety and quality, export, human trafficking, and anti-corruption.

36. **NON CONFORMANCES and REQUEST FOR VARIATION (VRV).** If Seller delivers defective, damaged, Counterfeit, or non-conforming Deliverables (collectively "Defects"), Buyer may at its option and at Seller's expense: (i) require Seller to promptly correct or replace the Defects; (ii) return the Defects to Seller for credit or refund; or (iii) perform necessary repair at its own facility or obtain replacement Deliverables from another source and charge or debit Seller's account for those costs and any additional re-procurement costs. Return to Seller of Defects(s) and redelivery to Buyer of corrected or replaced Deliverables shall be at Seller's expense. Inspection and tests by Buyer do not relieve the Seller of responsibility for Defects or other failures to meet this Order's requirements. Acceptance will not be final with respect to latent defects, fraud, or gross mistakes amounting to fraud. Notwithstanding anything else in this Order to the contrary, Seller and Buyer expressly agree that Seller is solely responsible for any claims for damages, losses, expenses including any administrative fees that result from Seller's failure to comply with the requirements of this Purchase Order. The assessment of a fee will be at the Buyers discretion after careful review of the non-conformance and any prior Non-Conformance history. The following administration fees shall apply for Non-Conformances.

- Nonconformance. If Buyer determines that the Deliverables are nonconforming to the applicable specifications or drawings and must be returned to Seller for correction or re-work, Buyer may debit Seller's account per event for

actual freight charges and customs brokerage incurred in shipping Defects(s) both to and from the Buyer to Buyer's operators, plus \$250.00 per event. It is at the Buyer's sole discretion to choose a freight carrier(s) and customs broker(s) of its choice. In the event that the Seller's part is a direct cause of the Buyer's customer's rejection, then any fees charged to the Buyer by Buyer's customer will be charged back to the Seller.

- Any Deliverables previously rejected shall not be resubmitted for Buyer's acceptance without concurrent notice of the prior rejection, which notice shall also disclose any corrective action taken. No action taken by Buyer under this clause shall be deemed to extend any delivery dates specified on the face of this Order.
- The Seller's submittal of a Request for Variation to obtain approval by the Buyer of a variation to the drawing or specification of a part under this Purchase Order will be subject to an Administrative Processing fee. The Seller will submit, prior to delivery of any parts a Request for Variation form. This document includes an automatic VRV processing fee of \$500. After initial review and acceptance of the VRV, if Kaman does not have MRB Authority on the part, Kaman will be required to go to its customer to obtain final approval. If Kaman's customer has a processing fee for review and approval of its MRB activities, any fees assessed will be passed on to the Seller.

The provisions of this clause shall survive the term and/or termination of this Order.

37. PACKING AND SHIPPING. Seller shall properly pack, mark, ship and route the Deliverables in accordance with the requirements of the Buyer and the carriers and in accordance with all applicable laws and regulations, or if there are no stated requirements, in accordance with best commercial practices designed to prevent loss or damage due to weather, transportation and other causes. Each shipment shall include packing slips identifying Buyer's complete Order number, shipment date, an itemized list of contents using the classification identification of the Deliverables required by Buyer or the carrier, and such other items as Buyer may require. The markings on each package and shipping document must be such that Buyer can easily identify the Deliverables and any necessary lifting, loading, and shipping information, including the Buyer Order number, item number, date of shipment, and the names and addresses of consignor and consignee. Buyer's count or weight will be final and conclusive for any shipment. Purchase Order notes will include instructions on the shipment of goods where Kaman is responsible for shipping. For US domestic shipments, articles under 85lbs. should be shipped using UPS ground services. For US domestic shipments of articles over 85lbs, and less than a truck load, supplier must contact Echo Global Logistics (312) 784-4134, for assistance and direction. When Kaman is responsible for the transportation cost, Echo is to be utilized by all suppliers for movement of LTL freight. Suppliers who elect not use this Logistics service may be charged back the difference in the Echo Global charges and the Sellers freight provider, and an administrative fee of \$250. The foregoing does not apply to shipments of classified materials, perishable items or temperature controlled material. In each of these situations, Kaman will provide carrier routing instructions via PO or letter.

38. LIQUIDATED DAMAGES. After review and a determination by the Buyer, and contingent upon concurrence by Buyer's Purchasing Management, the Seller shall, following the expiration of a five-day cure period, be required to pay to Buyer 2% of the price of the late Deliverables per calendar day for each day of delay as liquidated damages. The Parties agree that quantifying losses arising from Seller's delay is inherently difficult, and further stipulate that the agreed upon sum is not a penalty, but a reasonable estimate of damages, based upon the Parties' experience in the industry and given the nature of the losses that may result from delay. The total amount of liquidated damages shall not exceed 10% of the price of the late Deliverables. Customer fees on late deliveries may also be charged back to the supplier, if it is determined that the late delivery was solely the fault of supplier material. Neither the Buyer's right to refuse to accept defective Deliverables from Seller in accordance with the "Quality Control", "Counterfeits", "Defects", and the "Inspection and Acceptance" clauses herein, nor any delay in Buyer issuing the notice of delivery delinquency to Seller, constitutes a waiver of this "Liquidated Damages" clause. This clause does not limit the rights and remedies of the Buyer provided by law, under these Standard Terms and Conditions of Purchase, or as may be provided in any other clause of this Order.

39. ENTIRE AGREEMENT. This order sets forth the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all previous communications, representations and agreements, whether oral or written. No agreement or understanding varying or extending the provisions of this order will be binding on Kaman unless in writing and signed by its Purchasing Manager, Purchasing Agent, one of its officers, or other duly authorized representative. No usage of trade or course of dealing shall serve to alter or supplement the terms and conditions herein stated.
